The horses at Minni-Borg.

Holmar Bragi Pálsson the farmer on Minni-Borg and his family have for over twenty years been raising horses with good success. Many horses from Minni-Borg have made attention in competitions both in Iceland and abroad. Memorable is f.e. Blaer from Minni-Borg in A finals at the World championship in Germany 1999.

At Minni-Borg are always numbers of horses for sale, both untamed and at different stage of training.

Minni-Borg is only 75 km (47 miles) from Reykjavik.

Come and visit us after the Landsmót 2011 to see what we have to offer you!

Here are only a few examples from our sales list. We have many riding horses for sale, also young horses. Our horse farm Minni-Borg in Grimsnes is in South Iceland, on the Golden Circle route.

Stefnir from Minni-Borg

Stefnir is 8 years old big 4-gaited gelding. Very easy to ride but still a lot of willingness. A real nice riding horse for the riding courses and even for the competitions.

Þyrnirós from Reykjavik

Þyrnirós is 7 years old 5-gaited mare. She has a very positive character, lot of power and big movements especially in tölt. She has been already in competition in tölt and maybe she can also compete in 5-gate.

Pandra from Minni-Borg

Pandra is 6 years old small but smart 5-gaited mare with very positive character. Good tölt and excellent trot. Good for someone who wants to have a great riding horse, or for a youngster to compete or even for breeding.

Nóta from Minni-Borg

Nóta is 8 years old big and strong 5-gaited mare with tölt and trot. Good riding horse for outside.

Hekla from Reykjavik

Hekla is a 8 years old, big and beautiful 4-gaited mare. She is especially good for more experienced riders who love to ride dressage.

Svana from Minni-Borg

Svana is 6 years old very willing small 5-gaited mare with very good foot movements.
